**Stylish Spaces Interior Design & Outdoor Living Expo
 Debuts Inaugural Event, May 22 & 23, 2010**

San Diego, Calif. (January 13, 2010) – Seascape Productions announces its newest show, Stylish Spaces Interior Design & Outdoor Living Expo, which runs May 22 and 23, 2010 at the San Diego Convention Center, Hall A. The fresh-faced event is a vibrant blend of classic and up-and-coming designers, inspiration for outdoor living, interactive seminars and fantastic entertainment.

“Stylish Spaces is a trend-setting home expo that is capturing the attention and buying power of today’s savvy homeowner,” said Patrice Meluskey, show co-producer. “Being financially conscious is not stopping homeowners from craving the best in new home trends, interior design and outdoor living. However, today, a stylish home is more about welcoming family, making memories and creating relaxation than about creating a lavish and expensive statement.”

Seascape Productions, a profitable event production company, is co-owned by Patrice Meluskey and Penny Domschot. Meluskey and Domschot created and produced the renowned San Diego Interior Design & Landscape Expo for six years, and Baby & Tween Celebration LA. Stylish Spaces draws from the successes of Domschot and Meluskey’s previous shows and offers truly unique design ideas, innovative products, inspiration and education. The Stylish Spaces Interior Design & Outdoor Living Expo brand reaches consumers far and wide who dream of better ideas for home living.

Past Seascape Productions events have drawn more than 25,000 attendees and up to 525 exhibitors. This is an extraordinary event not to be missed.
