**Stylish Spaces Interior Design & Outdoor Living Expo  
 Signs Several Sponsors for May 22 & 23 Expo**

*Dunn-Edwards sponsors Interactive Greener by Design™ Display and  
 Paint for Charity mural which will go to the YWCA of San Diego County*

**San Diego, Calif. (April 20, 2010)** – The inaugural Stylish Spaces Interior Design & Outdoor Living Expo, debuts May 22 and 23, 2010 at the San Diego Convention Center, Hall A. The fresh-faced event recently signed several sponsors and media partners to showcase a vibrant blend of classic, yet affordable, designs. Dunn-Edwards has come onboard as a key sponsor of the event in a variety of facets, and with that, the paint company is debuting its Low Odor/Zero VOC Enso paint. Additionally, Seascope Productions, producers of the show, have teamed up with *San Diego Home/Garden Lifestyles*, *Ranch & Coast Magazine* and *Modernism* magazines as media partners and 944 San Diego as an online partner.

Interior designers, as well as Dunn-Edwards professional paint advisors, will share their expertise at the 2010 Interior Design Vignettes, offering complimentary 30-minute consultations. The interior design vignettes showcase dreamy designs, from Seaside Sanctuary to Bachelor's Boudoir.

Attendees are also invited to pick up a paint brush and find their inner Picasso at the Dunn-Edwards Interactive Greener by Design™ Display and Paint for Charity. At the end of Stylish Spaces, the finished paint-by-numbers mural will be donated to the YWCA of San Diego County, a non-profit organization with programs and services for San Diego's women and children who are survivors of domestic violence and homelessness, including Becky's House®.

"Stylish Spaces is a trend-setting home expo that is capturing the attention and buying power of today's savvy homeowner and we're thrilled to partner with Dunn-Edwards, which is a testament to their ongoing commitment to developing high-performance products that are eco-friendly," said Patrice Meluskey, show co-producer.

A plethora of indoor and outdoor exhibits await San Diegans, from the latest trends of edible landscape: Garden Bites for Urbanites; sustainability and water conservation: Tahitian/Asian Fusion Landscape; as well as micro outdoor spaces for fast-paced urban lifestyles.

Seascope Productions, a profitable event production company, is co-owned by Meluskey and Penny Domschot, who created and produced the renowned San Diego Interior Design & Landscape Expo for six years, and Baby & Tween Celebration LA. Stylish Spaces draws from the successes of Domschot and Meluskey's previous shows and offers truly unique design ideas, innovative products, inspiration and education.
